Alnylam Assist® Offers Support Services to Guide Patients Throughout the Treatment Process

A team of experts is here to help patients access Alnylam products and provide educational materials

**ALNYLAM CASE MANAGERS**

- Experienced in helping individuals get started on treatment and providing product support. They help patients understand insurance coverage and financial assistance options for eligible* patients, as well as provide educational resources.

**SUPPORT AFFORDING MEDICINE***

- For commercially-insured patients, the Commercial Copay Program** covers certain out-of-pocket costs for eligible patients. For patients without coverage, the Patient Assistance Program may be able to provide Alnylam therapies at no cost.

**SCHEDULING TREATMENT & DELIVERY**

- The Alnylam Assist® team will provide the HCP with information about how to order Alnylam’s product.

Alnylam Case Managers Help Patients Get Started on Treatment & Provide Product Support

Connects patients with an Alnylam Patient Education Liaison (PEL), who can answer questions about the disease and Alnylam products†

Begins insurance benefit verification discussions with patients within 2 business days of receiving the Alnylam Assist® Start Form

Works with an Alnylam Field Reimbursement Director to answer coverage, coding, and reimbursement-related questions about Alnylam products

Questions? Call 1-833-256-2748 or visit www.AlnylamAssist.com

†PELs are professionals with backgrounds in nursing who are experienced in educating patients, their families, and caregivers. PELs are employees of Alnylam Pharmaceuticals and do not provide medical advice.

*Individuals must meet specified eligibility criteria to qualify for assistance. Alnylam reserves the right to make eligibility determinations and to modify or discontinue the program at any time.

**Individuals with Medicare, Medicaid, or other government-sponsored insurance are not eligible for Alnylam’s Commercial Copay Program. Out-of-pocket costs for the administration of Alnylam products will not be covered for patients residing where it is prohibited by law or where otherwise restricted.
