Alnylam Assist® Offers a Wide Range of Support to Guide Patients Through Treatment

A team of experts provides a number of personalized patient support services throughout the treatment process

A DEDICATED ALNYLAM CASE MANAGER
Experienced in helping individuals get started on treatment and providing ongoing support. They help patients understand insurance coverage, financial assistance options for eligible* patients, as well as provide educational resources.

SUPPORT AFFORDING MEDICINE*
For commercially-insured patients, the Commercial Copay Program** ensures that patients pay $0 out of pocket for Alnylam therapies. For patients without coverage, the Patient Assistance Program may be able to provide Alnylam therapies at no cost.

SCHEDULING TREATMENT & DELIVERY
The Alnylam Assist® team will provide the HCP with information about how to order Alnylam’s product.

Alnylam Case Managers Are There to Support Patients

- Connects patients with an Alnylam Patient Education Liaison (PEL), who can answer questions about the disease and treatment†
- Provides patients and their HCPs with a comprehensive benefit verification within 2 business days of receiving the Alnylam Assist® Start Form
- Works with an Alnylam Field Reimbursement Director to answer coverage and reimbursement-related questions about Alnylam products
